

SOS Group
Preventive Policy for COVID-19

If you have fever or do not feel well, OR, if someone in your family or anyone you have had contact with has fever, do not come to group.

Your temperature will be taken in the parking lot and a few questions will be asked about your medical well being.

Please let a facilitator know if you have symptoms and/or fever after you have started group.

Members are asked to come in the building at 6:30 pm. As you enter you will be directed to a room for group. There will be no socialization prior to group.

All members while in the building and in the group will remain at least six feet apart.

Chairs will be set up six feet apart and there will be 6-8 members in each group.

All group members must wear masks during the time they are in the building, garden, parking lot, and this includes wearing a mask during group. Masks will be provided if needed.

No coffee or beverages will be served at least through the first month we start back in our group.

No hugs, handshakes or any physical contact/touching at anytime.

I have read this new policy, I understand and will comply with the conditions.
